SENIOR CLASS

CHARACTERS *Dignified Seniors*
 SETTING *E. C. H. S.*
 TIME: *The day we beat our first prints in the soil of E. C. H. S.*

SANFORD: Walking up to the school that morning made me unusually happy! It seemed as though all the world was free of anything that could mar this happiness. That day I had to pinch myself in order to make sure I was not dreaming!

FREDA: As I walked along my memory became like a moving picture machine. When the film was reflected on the screen, we saw pictures similar to these: First, there was the first day of freshman year when most of us looked like Indians or, as though we were going to a masquerade and lacked only the costumes.

GRETCHEN: Then came our sophomore days which were filled with days of work and yet many an hour of happiness! When we became juniors the most important things to us were the Junior Carnival and the Junior-Senior Banquet, in which we played an important part! We also had the Junior Play, filled with laughter!

JIMMY: Then there was the day we first walked the aisles of the auditorium as seniors! At first most of us were frightened, and then we saw our younger classmates looking up at us with a new look of hope on their faces, this thought came to our minds: "We are leaders and we must try with all that is within us to make the best examples for those who have faith and confidence in us!"

SANFORD: This is not the end, for we have many more things to look forward to, such as our Commencement Exercises and our lifes' work. Most of us will be happy, but within all of us sorrow will take its place.

Truly our high school days have been happy ones! To those we leave behind we wish even happier days than those we have had!

BILLY: Whew! After all those long tedious years of study(?), we've finally crawled up the ladder of success to be upperclassmen.

"MOJO": Boy, we have come a long way since we were first splashed with perfume and smeared with shoe polish when we first entered high school.

"MARVE": I'm so glad we are through struggling with worms, frogs, hypotenuses, and the Battle of Bunker Hill; but now we'll have to wrestle with chemistry, physics, and advanced algebra.

"PAT": Isn't it wonderful to think that our faces, personalities and characters adorn the honor clubs, i.e., National Honor Society, Hi-Y, Tri-Hi-Y, and the Quill and Scroll. We have worked hard to make them.

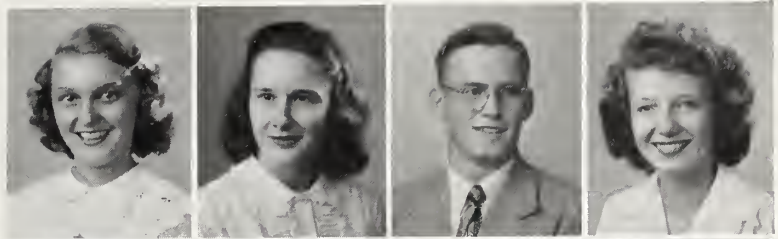

BILLY: We surely had a whiz-bang of a junior play!

"MOJO": Remember the hard work and fun of the carnival?

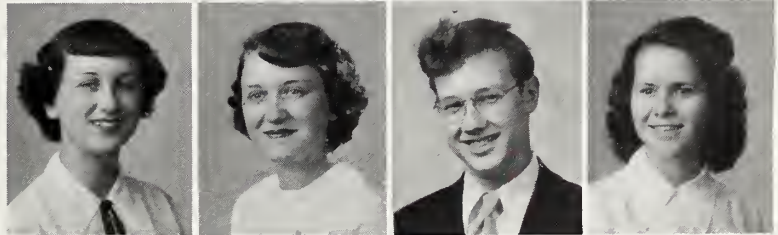

"MARVE": And, um-m we danced 'til dawn in swishing-swirling skirts and tuxedos on the night of our Junior-Senior.

"PAT": We've worked hard and had a lot of fun; I wouldn't trade my junior year for anything in the world!

REDWELL FORBES: At last we are on our second year in High School! We have been struggling along for the past ten years. If we continue our struggles, we will soon reach our goals.

JOHN HALL: Our class has had the privilege of joining many clubs. Several of our students have joined the Future Teachers of America Club. Good luck to those students as future teachers.

AMELIA DEPACE: Students from our class have taken part in plays, sponsored by the Dramatics Club. We know that these great actors have had fun practicing for those enjoyable plays. Others have had fun while fixing characters' faces, so that the plays were more effective.

KENNETH MILLER: Many of us have learned how to operate various machines in the Audio-Visual Club. This club has helped the school, as well as its members.

REDWELL FORBES: Other clubs in which we could have membership were American Junior Red Cross, Music Club, Travel Club, Athletic Association, Future Homemakers of America, Glee Club, and SPOTLIGHT Club.

JOHN HALL: Some of our subjects were biology, algebra, Latin, world history, science, and English. However, only English and biology were our required subjects. We shall never forget how we performed the operations on the various animals in the lab. Some of us will long remember Julius Caesar, whom we studied about in English and Latin.

AMELIA DEPACE: Our activity classes were physical ed, SPOTLIGHT, band, shop, home economics, and glee club.

KENNETH MILLER: Students, we have just two more years before we shall march down the isle of graduation!

- WILLIAM: So at last we are through with our first, eagerly waited for year of high school. Remember when we used to sigh as we watched from our side of the street? Those lively people looked so happy roaming around the school grounds. Now that we, too, have been here a year, we know that we were not deceived with our dreams of high school. It's every bit wonderful, though sometimes tough.
- CHARLOTTE: Our required subjects for this year were English, civics, physical education and mathematics. We were privileged with choice for general science, home economics, shop, glee club, band and Latin.
- GRACE: Many members of our class have participated in many extra-curricular activities, Junior Red Cross, Future Homemakers of America, SPOT-LIGHT Club, Speech Club, and numerous others.
- MARGARET: The band is well represented with members of the class and there are quite a number of freshmen in the glee club. Our class should keep up its wonderful musical spirit.
- WILLIAM: Many of us are exhibiting school spirit and sportsmanship by playing baseball, basketball, and football. Good luck to our junior varsity boys and more power to them next year.
- CHARLOTTE: We now dream of prospects for a brighter and merrier time in our sophomore year. We shall never part with the memories of our dear old freshman days.

The Student Council of the Elizabeth City High School has sponsored several outstanding activities during this year. First of all was the wonderful dance given for the Freshmen on September 30. The next was an assembly program entitled "Beachhead for Freedom" which was presented during National Education Week. Everyone felt that the members of the Council, who took part in this program and helped in other ways, did an excellent job in making National Education Week a great success in our school. One of the biggest events of this year was the homecoming game played Thanksgiving afternoon with Hertford at which our council presented a gold cup to the council of Hertford. Another activity introduced by the council this year which the students seemed to enjoy most of all was the dances which have been held twice a week in the gymnasium during lunch hour. The Christmas Holidays just wouldn't be complete without the semi-formal dance given by the council. It was held December 20th in the gym and portrayed an outside Christmas scene.

Three members of the council, Margaret Ann Jackson, Billy Jennette and Neil Henderson, along with Miss Cooper, attended the North Carolina State Student Council Convention in Goldsboro.

STUDENT COUNCIL ACTIVITIES

A memorable event is this shot taken from our annual home-coming game. This game was played on Thanksgiving Day. Here we see President Henderson presenting the trophy of friendship.

Always an impressive ceremony is the installation of our new student council officers which occurs in the late spring of each year.

Secretary Margaret Ann Jackson reads the minutes of the last Student Council Meeting as fellow members listen.

This is a scene taken from the Student Council's play given during the observance of National Education Week. The players look very natural, don't they?

The 1950 staff of the SPOTLIGHT has tried to bring you a book you will cherish long after your high school days are far behind you. They have worked hard and long to edit an annual more beautiful than its predecessors and one that you can be proud of.

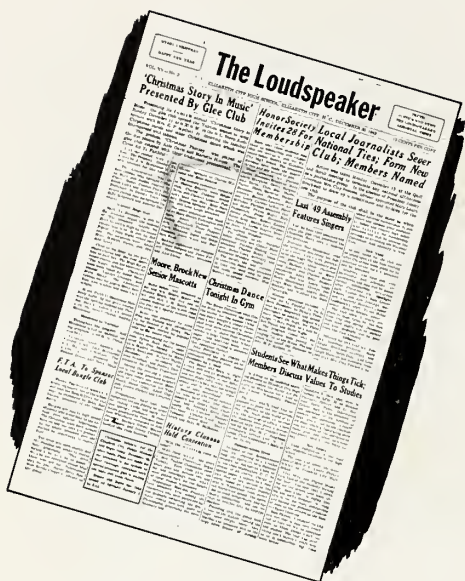

For some years now your annual has been a member of the Columbia Scholastic Press Association and has grown in beauty, wisdom and content until its ratings are very high.

It is the duty of the editorial staff to gather all material and pictures necessary to compose a good book. The business staff collects all advertisements and tends to the financial end of the book and only through the co-operation of both staffs can the work be done and the book made a success.

A valuable asset to the school is this club which this year replaced the Beta Club. Through encouraging scholarship, citizenship and co-operation in school affairs this year, the society has proved its necessity to the school. Throughout the year the club has sponsored various programs, not only for the good of the school, but for the well being of people all over the world. Included among these is a scholarship program in each class and an overseas relief program.

"To create, maintain and extend throughout the home, school, and community, high standards of Christian character—"

Emphasis on character was stressed throughout the school year in Tri-Hi-Y. In the meeting, every Monday, a program from the book *Social Principles of Jesus* was read and discussed by the members. In the process of carrying out its standards of good character the club has contributed to the lunch room fund, helped a needy family at Thanksgiving, given food and clothes to the Salvation Army at Christmas and sponsored a Southeastern Assembly Program.

Service to the school is the main purpose of this honor club. It concentrates on character building and encourages scholarship improvement among members. During football, basketball, and baseball seasons you will see Key Club members assisting and taking charge in the selling and taking up of tickets. The audio-visual department has also profited by the aid of these members.

Everyone remembers the exciting *Sadie Hawkins Day Dance* sponsored by the club and their inspiring South-East chapel program in January. Especially do the club members remember with pride their Mother-Father Banquet.

Composed of those girls who have won a letter through participation in the athletic field, this club has worked to achieve an air of good sportsmanship in all girls' sports and, generally, throughout the school.

This is a small club, however, it has been a credit to our school through its valuable athletic programs and projects.

BOYS' MONOGRAM CLUB

The chief purpose of this club is to instill in the students the value of good sportsmanship and to encourage better educational achievements among its members. Its members have worked this year well to swell the high school athletic fund in order that new gymnasium equipment might be purchased.

First row, left to right: Carwile LeRoy, *secretary*, Marvin Gray, William Gard, *treasurer*, Charles Cuthrell, *sergeant-at-arms*, Curtis Albertson.

SPOTLIGHT CLUBS

Strangers to the school are these clubs, for this is their first year. However, they are indeed welcomed especially by the SPOTLIGHT staff because the purpose of these clubs is to train students for work on our school annual, thereby insuring the next year's staff of experienced workers. Part of the members meet on Thursdays and part on Fridays.

DRAMATIC CLUBS

Composed of students especially interested in drama and other aspects of stage life this club was organized especially for the purpose of providing information and guidance along this line.

Projects for the year have included the study of the one act play, one of the chief divisions of the literature of the world, and the publicizing of theatrical movements and personalities.

The club sponsored some one act plays in which every member of the club participated.

4-H CLUB

The purpose of the 4-H Club is to give rural young people training in better practices of agriculture and homemaking in the broader phases of community organization, and in the finer and more significant things of life.

The 4-H Club members really have something to look forward to, for there are wildlife camps, fat stock shows, county achievement day, dress revues, and the National 4-H Congress.

Health, homemaking, agriculture, and wildlife are some of the interesting projects which are discussed during the year.

Elizabeth City High School's Yellow Jacket football team fought its way into a second place tie with the New Bern Bears in the Northeastern Conference for the 1949 season. Despite injuries to several key players, the Jackets suffered only two defeats. The Edenton Aces captured a close contest, winning fifteen to thirteen. This was the Aces' first victory over the locals in over ten years.

Later in the season the Jackets were trounced twenty to nothing by the powerful Kinston Red Devils. All hopes of a conference title were shattered by this loss.

Marvin Gray, right guard and co-captain of the Yellow Jackets, was selected to play in the annual Optomist Bowl game at High Point. The teams were composed of all-star players chosen from high schools in the eastern and western sections of North Carolina.

OUR PLAYERS IN ACTION

This year our girls' basketball team really made a good showing everywhere they played. As always they demonstrated good sportsmanship which is essential for playing any game. The rules of health were practiced and the girls turned out to make a fine team known for its clean, hard playing. These girls practiced each afternoon and when they played they put their whole selves in the game. They made a fine record of which we should really be proud.

The boys' basketball team has made a splendid record this year. The boys showed hard, fair play in every game. Teamwork must be their by-word because it seems that they always work together—none for glory, but all for the sport. We are proud of the team and their fine display of teamwork and skill.

The Elizabeth City High School Glee Club is made up of a group of boys and girls willing to give their time and talent to make an organization full of school spirit. The members put forth many hours of hard work for the good of their organization, their school, and their town. We find that throughout the year ensembles from the club are performing for civic clubs, school affairs, and out-of-town events whenever they are called upon.

The first concert, "The Christmas Story in Music," was a great success. A part of this program was also presented for the student body in assembly.

Another assembly program, held early in the spring, gained the favor of the entire student body as they presented a burlesque of grand opera.

Probably their most outstanding performance of the year was the spring concert, "Musical Memories of 1950."

Despite the fact that there were many new members who had to be trained the Glee Club has made remarkable progress throughout the year and is steadily climbing toward the top.

The Elizabeth City High School Band

has made us all proud of it during the past year.

The organization started its activities even before the opening of school in September. Among the big events in which the band participated were the Hampton Seafood Festival, The Oyster Bowl Football game at Norfolk, the Wake Forest-Georgetown football game at Wake Forest and the Wright Memorial Celebration at Kitty Hawk. The many local parades show the fine spirit this

group has for its school and town. The band has always done its part in football season—marching in the pep parades, drilling at half-time, spurring the Jackets on to victory. Each of the concerts, one at Christmas and two in the early spring proved to be a great success.

No group can be successful without recreation along with the hard work, and so it is with the band. This year the two outstanding occasions were the banquet honoring the seniors and the Christmas party at which the group forgot their

work and got together to have a wonderful time.

The smooth operation of the band is due to the fact that it is composed of a group of boys and girls always willing to co-operate with their efficient officers and excellent director. To boost their morale and back them up is their wonderful godfather, Miles Clark. Under their new director, Scott Callaway, the band has made steady progress throughout the year and is continuing its climb to rate among the best bands of the land not only in spirit and character but in proficiency.

BETTER'**

Here's a way to save money and add to your coffee enjoyment. Gill's Hotel Special is "seasoned" with a dash of chicory to bring out hidden depths of delicious flavor from the fine highland grown South and Central American coffees of which it is blended. You use less. But you enjoy it more.
